

# Discover, Design, Do

## 3d: A model for learning and improvement

<http://www.davegrayinfo.com/2008/03/31/3d-a-model-for-learning-and-improvement/>

## The Competence Blog

<http://competenceblog.wordpress.com>

## **First: Vision**

**1. What do I want?**

**2. Who can help me get there?**

**3. Why should they care?**

**4. What information is relevant?**

**5. How can I make the information clear?**

## **Congrats, you've reached Clarity**

**6. Do people understand?**

**7. Do people agree to act?**

**8. Do they act in fact?**

**9. Did I get my intended result?**

## **Congrats, you've reached your Result**

**10. What did I learn?**
